As I have been absent (minded) the past few days, I have done little other than gather information from the exec to include into the agenda. As much as I enjoy a lengthy agenda and detailed, this is what I was allotted. I am yet awaiting the calendar of events that are pending this semester and the homecoming calendar. I am under the impression that these are two different calendars.

In regards to the senate agenda, would we want to address the upcoming events such as Its on us, referring to the video shoot? And I am not very detailed in the gala mentioning. If there is any information, which I may not have or deemed vital, could you attach that along with the homecoming calendar? And are signup sheets required for the promotion of events, (Yo Flex Zone and Gala), or will this be a word of mouth promote?

Also, have we decided amongst ourselves that we would discontinue the senator of the month? I believe it would behoove us to carry out what was begun and acknowledge a SotM. This may not be acceptable, or even applicable in such short turn of events. Thoughts.

Regarding the agenda, please submit any feedback, additions or comments.
