Tuesday night.

Dear Martha,

I got your letter today and I thought I would just drop you a line to let you know that all it

will mother said that she sent you my address and that you would be writing soon. I got a letter from mother today.

I like it first up here and Wick, John, and Tom like it also. All are all in the same room. I am in the woodshop and we make tables chairs etc. nobody makes any complete thing every body just has a part to do and with it all together, the job is completed.

we get up in the morning at
6 o'clock and have breakfast. we
leave for work at 7:20 and work
until 11:20 then we have dinner
and we go back at 12:20 and
work until 3:30 and have a class
till 4:30. we have two classes
a day, one in the morning and one
in the evening or is arithmetic
and the other is drawing blue
prints etc. we can come home
one month without losing
pay and we can come home twice
a month and lose pay one weekend.
I have been home once and I am
going again next weekend. when
I get ready to go I hitch hike.
Dale Shannon was up here but
he didn't work but a week.

There are about 25 up here
from Calhoun County.

You ought to sell my car
and ride in it. It rides better
than a new one when you
keep working on it. I work on
it half the time and use it
the other half but it really is
a good car. I went to Bruce
one day and got a load of feed
in it. A bunch of us boys
went to the show and it one
night and we got a race out of
a model a ford and we ran
off and left him. Things
don't happen up here very
fast and there is not much
news so I'll just quit for the
time being.

So long - Sonny Boy
